

## May 26, 2016 - Memory from Louis Huckaby

The Kennebec also received the Battle Efficiency "E" on August 3, 1965. I have sent you a photo copy of the award taken from my military records. She was awarded it twice while I was aboard, in 1965 and then again in 1968. I blocked out my name and service number in the photo that appears at the bottom of the page.

### ADMINISTRATIVE REMARKS

U.S.S. KENNEBEC (AO-36)

3 August 1965: COMSERVPAC Msg 032131Z of August 1965 announced KENNEBEC as the winner of the Battle Efficiency Competition for Fiscal year 1965 for demonstrating above all others her competence and ability to get the job done.

You were a member of the U.S.S. KENNEBEC (AO-36) and contributed materially to the earning of this award during the period involved.

It gives me great pleasure to commend you personally for your outstanding performance of duty.
